

OPEN HOUSE INVITATION

15 - 19 July, 2019
at SIPA, Vittorio Veneto (Italy)

XTREME RENEW A UNIQUE SOLUTION FOR BOTTLE-TO-BOTTLE RECYCLING

THE NEW ERA OF THE
**CIRCULAR
ECONOMY**
IS NOW A REALITY

FROM 100% WASHED FLAKES TO FOOD-GRADE PET PREFORMS IN A SINGLE CYCLE

Xtreme Renew produces preforms with significantly higher quality (less yellowing) and gives clear benefits to you:

XTREME RENEW

10% lighter containers leading to a competitive advantage in packaging

up to 15% lower TCO compared to conventional recycling

Reduces logistics: -20% logistics and transportation costs

Energy savings: -30% one heating cycle only from flakes to preforms

CO2 emissions: -60% vs. virgin resin and **-25%** vs. traditional recycling systems

100% sustainable only recycled PET flakes

EREMA[®]
PLASTIC RECYCLING SYSTEMS

SIPA

WATCH THE TECHNOLOGY IN ACTION **LIVE DEMO**

We are pleased to invite you to take part in our Open House where we will show you a live demonstration of the Xtreme Renew technology and will present Life Cycle Analysis results.
